

INSPIRE THE NEXT GENERATION OF MAKERS.

With a commitment to inspiring humane capital, the New Age Makers' Institute of Technology (**NAMTECH**), an ArcelorMittal Nippon **Steel India (AM/NS India)** education initiative, stands as a beacon of academic excellence and societal impact in the realm of advanced manufacturing education. Our campus offers industry-grade laboratories and dynamic learning spaces, providing an immersive environment for experiential learning tailored to the industry 4.0 era.

NAMTECH is driven by strategic partnerships with leading universities and multinational corporations across Europe, the Americas, Southeast Asia, and beyond. These associations encompass infrastructure design, curriculum development, knowledge transfers, action-research projects, and more. Join us as we nurture new-age makers who dare to dream big and drive change, shaping the next generation of industry leaders.
